SWITCH TO SMARTER, INTERACTIVE & COLLABORATIVE PRESENTATIONS

CloudTouch comes with a plethora of tools to annotate over any media & interact with any content swiftly during meetings or presentations.

Save files locally or on USB drives, print or directly share via e-mail or QR code within the team.

Pen Tool

Erase Tool

Object Tool

Insert Symbols

Shape Detection

Undo/Redo

Zoom In/Out

Add Pages

Import Pictures

Save & Share

Easy Annotation with in-built Digital Whiteboard

Write & draw on images, videos or any content visible on the screen.

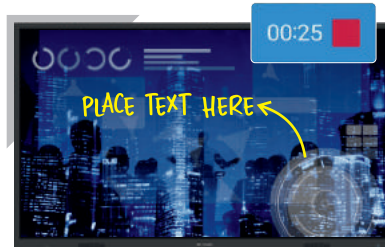

Float Ball

Get quick access to host of functions like annotation, settings, volume control, recent apps, homepage & more.

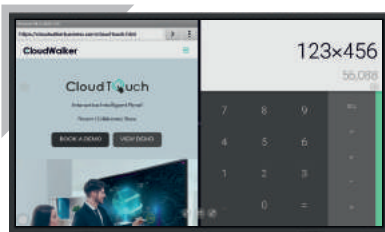

Multitask using Quad-screen display

No need to shuffle presentations or content within the team anymore. Simply mirror multiple devices at the same time & collaborate on a single screen.

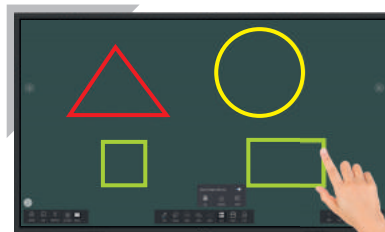

Screen Recorder

Record and access your actions or annotations over presentations anytime.

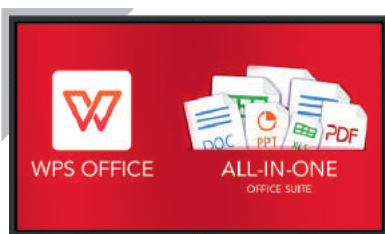

Split Screen for Apps

Easily collaborate between multiple apps on the same screen.

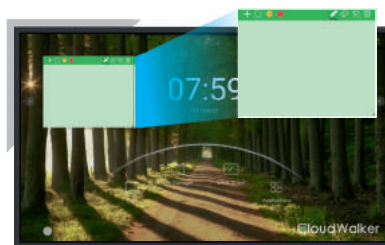

Smart Shape Detection

Draw freehand strokes that can be recognised and converted to basic shapes.

In-built WPS Office Suite

Take your productivity to next level. Get access to documents, presentations, spreadsheets & PDFs in one application.

Notes

Make your own handwritten notes.

Seamless Content Interaction in Real time

Annotate & work on presentations from your laptop directly on CloudTouch. Control your presentations, documents or any applications wirelessly, without having to go to your laptop & control any content on the screen.

Move

Rotate

Zoom

20 Point Multi-Touch Display

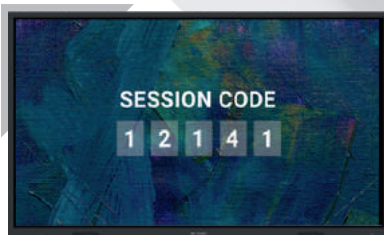

CloudTouch makes collaboration easy, allowing more people to participate in discussions & have engaging meetings.

Seamless Collaboration

Go wireless & seamlessly collaborate across devices. Instantly connect your laptop, tablet or smartphone to the Cloud Touch via the AirStream app & share your ideas.

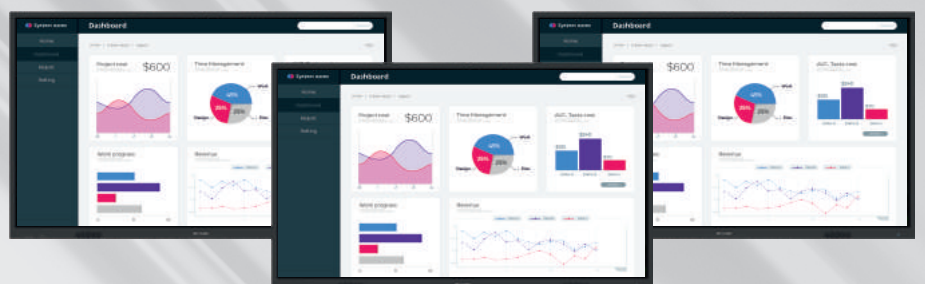

Security & Control

Secure Presentations with a code

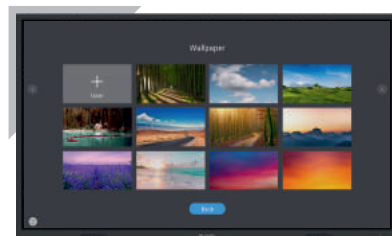

Prevent unwanted connections & casting during ongoing meetings with unique session codes.

Multicast

Present wirelessly to multiple screens in multiple rooms at the same time from a single device.

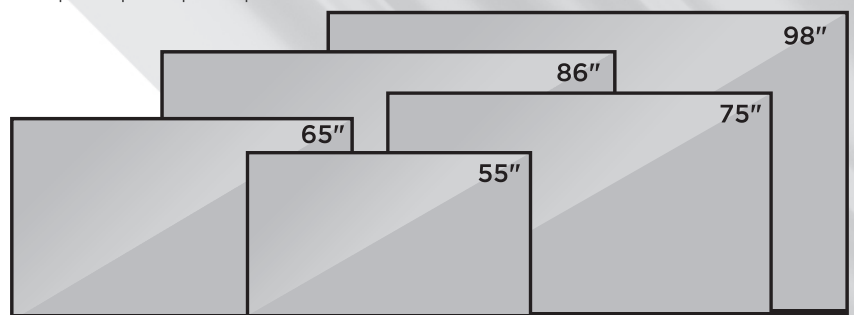

Customised Wallpaper

Choose and customise your preferred theme or wallpaper for meeting, classrooms & other session.
